

CURRICULUM VITAE

Paolo Francesco Fabene

Date and Place of Birth: 20 July 1973, Lodi, Italy

Status: Married

Citizenship: Italian

Office address: Dept of Department Neurological,
Neuropsychological, Morphological and Movement
Sciences, Sect. of Anatomy and Histology,
Faculty of Medicine, Univ. of Verona,
Strada le Grazie, 8 - 37134 Verona (Italy)

Office phone number: +39-045-8027267

Office fax number: +39-045-8027163

E-mail: paolo.fabene@univr.it

Languages: Italian, English, Portuguese.

EDUCATION & POSITIONS:

1988-1993	Liceo Classico P.Verri in Lodi, Italy (Senior High School of Humanistic and Liberal Arts)
1993-1998	Student, Faculty of Psychology, University of Padua, Italy, Degree in Experimental Psychology, Course in Psychobiological Sciences
July 1998	Degree at the University of Padua, Faculty of Psychology. Thesis: "Experimental study on the neural correlates of the sensory gating by the induction of the c-fos gene" (Supervisors: Prof. P. Bisacchi, Prof. M. Bentivoglio, Prof. E.L.J.M. van Luijtelaar), with the mark: 110/110
November 1998	Graduate student, PhD <i>Curriculum in Neuroscience</i> (Dottorato di Ricerca in Neuroscienze), University of Verona, Italy (Supervisor: Prof. M. Bentivoglio)
18 February 2003	PhD degree in Neuroscience
2 January 2005	Assistant Professor of Anatomy ("Ricercatore non confermato, BIO/16"), Faculty of Medicine, University of Verona.
1 January 2008	Confirmed Assistant Professor ("Ricercatore non confermato, BIO/16"), Faculty of Medicine, University of Verona,
25 June 2010	Qualified for Associated Professorship in Human anatomy (BIO/16), Faculty of Medicine, University of Milano,
1 January 2011	Associate Professor in Anatomy, Faculty of Medicine, University of Verona.

RESEARCH

October 1996- August 1997:

Erasmus (European student exchange project) fellow at the Institute of Comparative Psycho-Physiology, Faculty of Psychology and Institute of Anatomy and Embryology, Faculty of Medicine, Catholic University of Nijmegen (now "Radboud University Nijmegen"), the Netherlands (Supervisor: Prof. G. van Luijtelaar)

February-March 1999:

Research fellow of the Laboratory of Neuropsychology, NIMH, Bethesda, MD, U.S.A.

(Supervisor: Dr. M. Mishkin)

May-July 1999:

Research fellow of the Laboratory of Experimental Neurology, EPM-UNIFESP, São Paulo, Brazil. (Supervisor: Prof. E.A. Cavalheiro)

November 2000 – April 2001:

Visiting Professor of the Laboratory of Nutritional Physiology, Federal University of Pernambuco, Recife, Brazil.

Since 1998

Research fellow of the Experimental MRI Center, University of Verona, Verona, Italy

November 2002-January 2005:

Research fellow of the Institute of Anatomy and Histology, Faculty of Medicine, University of Verona.

Since 1 January 2005:

Assistant Professor in Human Anatomy (BIO/16), Faculty of Medicine, Dept. Morphological and Biomedical Sciences, Verona, Italy

Since 1 January 2005:

Supervisor of the Behavioural and Biopotentials analysis Lab, Faculty of Medicine, Dept. Morphological and Biomedical Sciences, Verona, Italy. Dr. Fabene organized and is currently supervisioning an international-level behavioural lab composed by seven independent setups completely isolated acoustically and thermically; his Lab in particular is based on telemetry EEG plus video synchronization, and a very broad set of behavioural tests, based on Noldus technology (Noldus Information Technology, Wageningen, the Netherlands).

COMPANIES

6 July 2010 Co-founder of **Veneto Pharma s.r.l.**, spin-off of the University of Verona, Faculty of Medicine, Verona, Italy.

Furthermore, in the last years, Dr. Fabene's Lab is a "reference lab" for Noldus (Noldus Information Technology, Wageningen, the Netherlands) and for DataScience for telemetry EEG and biopotentials both in rats and mice (Data Sciences International, St. Paul, MN, U.S.A.).

INTERNATIONAL COURSES

May 2001:

International Course of "Stereology for Neuroscience Research" (3-4 May 2001, Aachen, Germany)

March 2003:

International Course of “Applied MR Techniques, Basic Course” (20-22 March 2003, Innsbruck, Austria)

August 2003:

International Course of “Advanced NeurolImaging - Diffusion, Perfusion, Spectroscopy” (28-30 August 2003, Aarhus, Denmark)

EDITORIAL EXPERIENCE

- Referee of different international scientific journals, such as: *Acta Histochemica, Anatomical Records, Behavioral Neuroscience Journal, Brain, Brain Research, Brain Research Bulletin, Epilepsia, Hippocampus, International Journal of Developmental Neuroscience, Internet Journal of Mental Health, Journal of Neuroscience Methods, Methods and Findings in Experimental and Clinical Pharmacology, Nature Reviews in Drug Discovery, Neurobiology of Diseases, Neurological Sciences, NeuroImage, Neuroscience, Neuroscience Letters, Physiology & Behavior.*

1999-2004

- Editorial Assistant of Prof. Marina Bentivoglio, Section Editor for “*Functional and Molecular Neuroanatomy and Experimental Neuropathology*” of the international journal *Brain Research Bulletin* (Elsevier, Shannon, Ireland)

I January 2005 -NOW

- Part of the *Editorial board* of “The Internet Journal of Mental Health”, <http://www.ispub.com/ostia/index.php?xmlFilePath=journals/ijmh/front.xml>
- Member of the *International Reviewers Panel* of *Medical Science Monitor*

TEACHING EXPERIENCES

PFF has been (or is currently) supervisor of more than 10 PhD students in Neurosciences and Multimodal imaging, and more than 5 student for the bachelor thesis dissertation.

In the last ten years PFF has been involved in many teaching activities; in particular, during this year (2011) PFF is:

- Official Professor of Anatomy of the Specialized Degree in Dentistry and Dental Implants, University of Verona
- Official Professor of Anatomy of the Nursing Degree (Bolzano), University of Verona
- Member of the professor board of the Nanotechnology PhD curriculum, University of Verona;
- Member of the professor board of the “IRCSS Bonino-Pulejo” Neuroscience PhD curriculum, Messina;
- Professor for residency student in School of Specialization in Maxillofacial Surgery, Faculty of Medicine, University of Verona

- Professor for residency student School of Specialization in Psychiatry, Faculty of Medicine, University of Verona
- Professor for residency student School of Specialization in Neurology, Faculty of Medicine, University of Verona
- Professor for residency student School of Specialization in Paediatric Neuropsychiatry, Faculty of Medicine, University of Verona
- Supervisor of Human cadaver dissection (University of Szeged, Hungary), Faculty of Medicine, University of Verona

PATENT APPLICATION

December 21, 2007, first author for International Patent Application No. PCT/US2007/013624 entitled “Anti-Leukocyte Recruitment Therapy for the Treatment of Seizures and Epilepsy”: assigned publication number WO 2007/146188, **USPTO**

Applicaton #: 20080025992 -**Class:** 424158100 (USPTO) (<http://www.freshpatents.com/Anti-leukocyte-recruitment-therapy-for-the-treatmentof-seizures-and-epilepsy-dt20080131ptan20080025992.php>)

MEETING ABSTRACTS

PFF is author of more than 60 abstracts and communication to national and international meetings.

PUBLICATIONS (in extenso)

1. Marchi N, Johnson AJ, Puvenna V, Johnson HL, Tierney W, Ghosh C, Cucullo L, **Fabene PF**, Janigro D. *Modulation of peripheral cytotoxic cells and ictogenesis in a model of seizures. Epilepsia.* 2011 May 31.
